

# Christian Association of Youth Mentoring

## Core Training

**Our mission** is to train and support Christian churches and ministries in the development of safe, effective and sustainable mentoring ministries with our youth and their families.

### Why mentoring?

- ✓ Over 40% of American children are born to unwed mothers. Many others are left without active fathers or mothers due to divorce or abandonment.
- ✓ Fatherless youth who have a mentor improve their performance in school and have better relationships at home.
- ✓ Mentors can reach the fatherless in your congregation and help you reach needy children and families in the community.
- ✓ Mentoring can help church youth stay connected to their faith throughout their teen and young adult years.
